The Emergency Skills for Midwives Course is created for midwives by midwives

The MAM Emergency Skills for Midwives (ESM) is based on the Association of Ontario Midwives Emergency Skills Workshop. This course includes an intensive series of hands-on scenarios (OSCEs) with a small group (up to 3 participants).

Each scenario is followed by debriefing and discussion.

The scenarios are designed with the challenge of demonstrating a variety of emergency skills.

An online test based on the content from the AOM Emergency Skills Manual (2013) must be written prior to the workshop.

This course fulfills the requirement of the College of Midwives of Manitoba Standard on Emergency Skills.

POLICIES

DEADLINE FOR REGISTRATION: Registration and fees must be mailed to the Organizer 14 days prior to the date.

CANCELLATION: Refunds are only available if you cancel 7 days or more prior to the workshop date.

Off Call: Midwives are expected to be off call for the entire workshop (off-call the night before is preferred)

Babies/Toddlers: Due to the nature of the ESM course, children are not permitted.

Cancellation : MAM reserves the right to cancel an ESM due to insufficient registrations up to 10 days prior to the date.
