Join your professional association today!

November 7, 2018.

Hello Midwives of Manitoba,

We want to sincerely thank all membership renewing midwives for your continued support. For midwives considering membership, it is our goal to represent all registered midwives in Manitoba. Your membership strengthens our association and diversifies our voice.

This year the Manitoba Association of Midwives (MAM) and the Canadian Association of Midwives (CAM) will be focused on working together to support the capacity of our association. Our goal is the growth of the profession. Our partnership with CAM will increase MAM's capacity to support midwives in site or region specific challenges.

We look forward to the graduating class of 2019 which has the potential to increase our workforce 20% the largest increase since legislation. We are lobbying government and participating in workforce planning with the hope of keeping all graduating midwives employed in the province.

We maintain a social media presence, promoting child bearing health issue education and awareness. We are currently working on a media campaign to promote midwifery in the province.

MAM delivers Emergency Skills 3 times a year within the province to make continuing education accessible and affordable.

Your membership to MAM includes supplemental insurance through HIROC to cover the gaps in the employer provided coverage. When you join MAM you also become a member of CAM and International Confederation of Midwives (ICM). You will receive a copy of the Canadian Journal of Midwifery Research and Practice (CJMRP) 3 times a year.

Did you know your membership is tax deductible? Please join MAM today.

We are offering all midwives registering before November 30th a chance to win a \$25.00 Gift Card to Tim Horton's.

Best regards,

Sarah Harpe, President
