or at <https://canadianmidwives.org/esw-products/>

The Emergency Skills for Midwives Course is created for midwives by midwives.

The MAM Emergency Skills for Midwives (ESM) course is based on the Association of Ontario Midwives Emergency Skills Workshop. This course includes a presentation on new evidence for obstetrical emergency skills and an intensive series of hands-on scenarios (OSCEs) with a small group (up to 3 participants). Each scenario is followed by debriefing and discussion. The scenarios are designed with the challenge of demonstrating a variety of emergency skills. An online test based on the content from the AOM Emergency Skills Manual (2013) must be written prior to participating in the workshop.

REV 9 August 2017

**This course fulfills the requirements for the College of Midwives of
Manitoba Standard on Emergency Skills.**

Emergency Skills Workshop Manual (2013) and Online Test

The AOM *Emergency Skills Workshop Manual* (5th edition, 2013) must be purchased from the Canadian Association of Midwives office. Participants should order their manual as soon as possible due to shipping. **Participants should call the CAM office, 514-807-3668 and ask to order the manual.** CAM will take orders over the phone. Manuals must be purchased by credit card. Orders are then shipped to the participant – usually takes 5 to 7 business days.

The online test costs \$50 + taxes and must be paid by credit card. Access the test by:

1. Visiting www.canadianmidwives.org/esw-products.
2. Contacting Annie Hibbert at the CAM office at 514-807-3668.

****You will receive test access information by email one business day later****

The workshop includes successful completion of an online test accessible through the Association of Ontario Midwives website. This test does require that the participant have an excellent understanding of the entire manual content with an 80% passing grade. **The participant must bring a printed copy of the certificate of completion or email a digital copy to the Course Organizer by 9pm night prior to the workshop.**
